STAT 4. [] Mr. Joe Ray, Bureau of the Budget, called in connection with the Agency's legislative program for the Second Session of the 90th Congress. I explained the nature of our pending bill which was the only item in our legislative program as that term is used in Bureau of the Budget Circular A-19. Mr. Ray asked for written confirmation and I said this would be initiated.

STAT 6. [] Met with Rod Keiser, Administrative Assistant to Representative Patsy Mink (D., Hawaii), concerning the request

STAT [] STAT
[] Mr. Keiser accepted our recommendation that we deal directly [] on this and said that their interest was not to serve as an intermediary but to serve their constituents request. [] has been given the background and is initiating a contact with []
STAT At this juncture no further action with congressional office is needed.

STAT 7. [] Returned to the Joint Committee on Atomic Energy the corrected transcript of the Director's briefing of 8 November along with an additional copy of the Director's prepared statement and a second copy of the DD/S&T paper on Soviet submarines so that the Committee would have in its possession two complete transcripts; one for the Military Applications Subcommittee of JCAE, and one for the Safe Guards Subcommittee of Senate Preparedness Subcommittee.

STAT 8. [] Made several attempts to see Mr. Peter Hammond, in the office of Senator Harrison A. Williams, concerning a constituent inquiry. I will try to make contact with Mr. Hammond tomorrow.
